

Duc Dang

IOS Developer

I'm a Junior iOS DEVELOPER. Previously, I had 2 years of experience in Full Stack WEB DEVELOPMENT, before making the switch to iOS. A highly driven individual and a life-long learner. I enjoy solving problems and am very naturally curious, which allows me to learn quickly. I approach everything with a positive attitude and always aims to go above and beyond expectations. Skilled with working as a team and incorporating input into projects.

Technical Skills

Solid understanding of computer Programming Languages and abilities to code in: Swift, JavaScript, C#, Java, Python

Front-End Web Development: HTML5, SCSS

Databases: Apollo/GraphQL, Postgresql

Other Skills: Git, Adobe, Firebase, Mobile Development
